

DARBY DIAMOND CLUB

ALUMNI MEMBERSHIP - DONATION FORM

As a past player within the Darby Baseball Program “YOU” are a key component to continuously improve upon the success and experiences of future Darby Teams and Players. In addition to the work efforts of the coaches and players successful high school programs have strong financial backing, participative parents, community support and an “ACTIVE ALUMNI BASE”. Your support will ensure the traditions “You” created are carried on and help to support the success of future Darby Baseball Players.

The Darby Diamond Club (DDC) serves to support the Hilliard Darby Baseball program. The club operates independently of the Hilliard City School District and consists of volunteers with interest in providing the best possible support to the players, coaches and facilities.

The “Alumni” Membership is a one time fee, is good for a lifetime, and the fee is kept low to encourage past players to participate. All Alumni who join will have their name added to the Diamond Club Website. We are also accepting “Donations” to help the organization accomplish goals as they are identified. 100% of all fees and donations go directly towards efforts to support the Darby Baseball Program.
