

Hilliard Darby Baseball Hall of Fame

Presented by:

The Darby Diamond Club

Hilliard Darby High School opened in 1997, with that first year came the first year of Hilliard Darby Baseball. Over the years, the success of the baseball program has been directly linked to the individuals that have played, coached, and supported the baseball team. In 2015 the inaugural class of the Hilliard Darby Baseball Hall of Fame will be inducted. Annually a new Hall of Fame class will be welcomed.

General Information

1. The first two classes (2015 and 2016) of the Hilliard Darby Baseball Hall of Fame will allow a maximum of five members inducted with the class. Starting with the 2017 class, a maximum of three inductees will be permitted annually.
